

Mipa Sunrace

Mix precisely. Work efficiently.

Mipa Sunrace is a semi-automatic mixing system for the **Mipa WBC Mixing System** - designed for maximum precision, absolute efficiency and easy handling in modern bodyshops.

- **Precise dosing** of even the smallest quantities up to approx. 5 litres.
- **Visual user interface** clearly indicates which base tinters are needed.
- **Time and cost saving** thanks to error-free mixing and workflows.
- **No decanting required:** Direct usage from original Mipa WBC containers.
- Automated processes for **maximum performance**.
